The peacefulness of the place called for stillness, watching, listening; and she knew how tricky the paths were, and that the Grove was, as the Patterner put it, "bigger inside than outside'. She sat down in a patch of sun-dappled shade and watched the shadows of the leaves play across the ground. If he reached out his hand in his mind only, as when he played the mental harp, then indeed he touched her. He felt her hand in his, and her cheek, warm-cool, silken-gritty, lay against his mouth. In his mind he spoke to her, and in his mind she answered, her voice, her husky voice saying his name, "Diamond ....".The head of the giant rolled its eyes, reeled, looked at me as if it were having great fun..
