She lifted her head..Golden did not like the child. She was both outspoken and defensive, both rash and timid. She was a girl, and a year younger than Diamond, and a witch's daughter. He wished his son would play with boys his own age, his own sort, from the respectable families of Glade. Tuly insisted on calling the witch "the wisewoman," but a witch was a witch and her daughter was no fit companion for Diamond. It tickled him a little, though, to see his boy teaching tricks to the witch-child..to obey me!". "What do you want to learn?" asked the taller woman in her mild voice..The daughter of "the wise king Thoreg" rescued Erreth-Akbe from this trance or imprisoning spell. "You don't? Where, then?". "Now that is interesting," said the old scholar, sitting up straighter. "I told you I was reading..and power. "He was too much for 'em, was he? In a busy street leading down to the busy wharfs of Gont Port, the wizard Ogion stopped short. The Archipelago under the sway of the wise men of Roke, for a while yet the family and their farms and.."I know. No, that's something else. I thought that you all. . ."..pursuing the young man. A big, well-grown youth, good at games and lessons, he was 'still ruddy-.He hard-boiled the three new eggs and one already in the larder and put them into a pouch along with four apples and a bladder of resinated wine, in case he had to stay out all night. He shrugged arthritically into his heavy cloak, took up his staff, told the fire to go out, and left..The roasting pit took up the center of a huge domed chamber. Hurrying, sticklike figures black."Of course," Golden said, pleased with his son's caution. He had thought Diamond might leap at the offer, which would have been natural, perhaps, but painful to the father, the owl who had -- perhaps -- hatched out an eagle..him, and gazed away, over the summery fields. "She's never looked at a man before," she said..I'll lock the house door. There's... there's been strangers about. You rest yourself. It's bitter." "I was new at the business of being Archmage then. And younger than the man we fought, and maybe not afraid enough of him. It was all the two of us could do to hold our own against him, there in the silence, in the cell in the tower. Nobody else knew what was going on. We fought. A long time we fought. And then it was over. He broke. Like a stick breaking. He was broken. But he fled away. The Summoner had spent a part of his strength for good, overcoming that blind will. And I didn't have the strength in me to stop the man when he fled, nor the wits to send anyone after him. And not a shred of power left in me to follow him with. So he got away from Roke. Clean gone.."They may be friends. Did I say it was an easy life?" A pause. But he had..you drunk if you drank enough, while this yellow stuff was just honeywater..He went slowly round to the eastern side of the hilltop, bright and warm already with the light of the sun a couple of fingers' width above the horizon. Looking under the sun he saw the roofs of a town at the head of a bay that opened out eastward, and beyond it the high line of the sea's edge across half the world. Turning west he saw fields and pastures and roads. To the north were long green hills. In a fold of land southward a grove of tall trees drew his gaze and held it. He thought it was the beginning of a great forest like Faliern on Havnor, and then did not know why he thought so, since beyond the grove he could see treeless heaths and pastures..photography? "Are you?". He let that sink in for a while, and then continued softly,

"And to work the spell of semblance on you, to make it so complete and deep that the Masters of Roke will see you as a man and nothing else, to do that, I too must know your name." He paused again. As he talked it seemed to him that everything he said was true, and his voice was moved and gentle as he said, "I could have known it long ago. But I chose not to use those arts. I wanted you to trust me enough to tell me your name yourself." of riding twenty or thirty miles to restock, they wanted to cut the tongue out of a steer that had along with him. He said, smiling and confidential, "I am one who shits moonlight. You will not ignorance! To roof his house with it!". That night, over supper at the waterfront inn, she asked with unusual timidity in her voice, "Do I have great gifts?". clothes on, foul as they were from days and days of travel. There was a pair of shoes under the. Three of them came forward: an old man, big and broad-chested, with bright white hair, and two. "Don't you understand?" he said, exasperated with her for not understanding, because he had not understood. "A wizard can't have anything to do with women. With witches. With all that.". "Memory, memory," Hemlock said. "Talent's no good without memory!" He was not harsh, but he was unyielding. Diamond had no idea what opinion Hemlock had of him, and guessed it to be pretty low. The wizard sometimes had him come with him to his work, mostly laying spells of safety on ships and houses, purifying wells, and sitting on the councils of the city, seldom speaking but always listening. Another wizard, not Roke-trained but with the healer's gift, looked after the sick and dying of South Port. Hemlock was glad to let him do so. His own pleasure was in studying and, as far as Diamond could see, doing no magic at all. "Keep the Equilibrium, it's all in that," Hemlock said, and, "Knowledge, order, and control." Those words he said so often that they made a tune in Diamond's head and sang themselves over and over: knowledge, or-der, and contro-----..... "I don't understand.". with them. Otter felt as if he were being brought back to vivid life from interminable, dreary, dazed half sentience. At the wizards touch he did not feel the horror of the spellbond, but rather a gift of energy and hope. He told himself not to trust this man, but he longed to trust him, to learn from him. Gelluk was powerful, masterful, strange, yet he had set him free. For the first time in weeks Otter walked with unbound hands and no spell on him.. He shook his head.. "I am not ashamed," Irian said.
